NEWSLETTER FEBRUARY 2025

MESSAGE FROM THE FEDERATION CHAIRMAN

Geraldine Russell-Jones.

February - one more step closer to warmer, brighter weather!

I hope that those who attended the Officers' Workshop last month gleaned knowledge and confidence in their new (or maybe not-so-new) role. As last year, please let us know if you are interested in learning more about other WI jobs/skills.

I'm looking forward to our 'Health and Wellbeing Day' on 15th of this month – a chance to shake off that winter torpor and maybe learn something new. Also looking forward to our regular February event – the Jigsaw Race, in Dolfor this year.

I know it is a little late in the year for New Year Resolutions, but it would be nice to see some new faces on our sub-committees and Board of Trustees (although the 'old' faces are valued and loved of course!) Think about it.

Best wishes/Cofion gorau, Geraldine

WIs BANKING WITH LLOYDS BANK may have received a letter, advising their accounts will be moving from a charity account to a community account from Jan. 2025, unless they are able to provide a charity number. NFWI confirm that the bank has now agreed that all WIs with Treasurer accounts will be permitted to stay with this account and not be moved to the Community account as previously advised. The NFWI has agreed to provide Lloyds bank with a list of WIs who currently bank with Lloyds, asking the Federations to collate this information. **Please contact with the Federation Office with your Account name and number asap.**

MEMBERSHIP COMMITTEE. Chair Janet Hughes.

OFFICERS WORKSHOPS Thanks to everyone who attended the workshops on 25th Jan. It was good to meet you, and I hope you found the workshops useful. Remember that if you have any questions about any aspect of running your WI you can always get in touch with WI Office.

We Need Your Help! NFWI-Wales wants to hear from your friends, family, colleagues, neighbours—anyone who isn't yet a member of the WI. We're eager to learn what they want and need from the WI and how we can inspire them to join and enjoy the benefits of this fantastic organisation. Please share the below survey link with any **non-members** —via email, text, or WhatsApp. We're especially keen to hear from 50-60-year-olds, if you know someone in that age group, please share it with them!

<https://7py8sd9yda3.typeform.com/to/TWw7Pv2w>

The survey is completely **confidential** and is offered in English and Welsh. It's only open until **Tuesday 18th Feb**, so please share the link as soon as you can. The survey has a different focus from the one sent in late 2022, so feel free to share it with those who participated back then as well.

If you have any questions, please contact Hannah at h.battrick@nfwl.org.uk

COMMUNITIES & CAMPAIGNS COMMITTEE: Common Ground Campaign: Members met our MS, Russell George, and MP, Steve Witherden. We discussed WI Resolutions on Rivers and Plastics, Windfarms/Pylons and the Climate Bills coming up in the Senedd and Westminster. Reports on these meetings are available for members from the Office.

Show The Love for the planet in February. Support the WRAP campaign against food waste and unnecessary plastic packaging. Ask in shops for more fruit and vegetables to be sold loosely. Wrapped produce can make us buy more than we need, and it's expensive. Both our MP and MS offered to support this campaign behind the scenes.

If you'd like to know more about this Committee, contact Jane in the Office. We'd be happy to visit WIs to answer their questions.

BRITISH HEART FOUNDATION: Heart Month February, urging the nation to unite behind our mission to help save and improve lives by going red to raise money for lifesaving research. Every three minutes in the UK, somebody's loved one dies of a heart or circulatory disease, often without warning. Conditions are indiscriminate – affecting the young, the old, the fit, and the seemingly healthy. 340,000 people in Wales (over 10% of the country's population) are suffering with cardiovascular disease, with 42,000 of them being diagnosed with heart failure. We want a future where this cruel disease can be cured, so we can keep families together for longer. Asking people to organise events, walks or coffee mornings to bring people together.
